welcome to the green house

Opening to critical acclaim in July 2010 with 32 stunning guest rooms, a stylish bar and the highly rated Green Room restaurant, the luxurious four star Green House is as uncompromising with it's eco principles as it is with quality.

Described as "The Greenest Hotel in the UK", if you are looking for a contemporary and versatile conference and banqueting venue that surpasses environmental standards, The Green House is the perfect choice.

The hotel's private events facilities are spacious, adaptable and comfortable, with natural daylight and the latest audio-visual technology. The Green House meeting spaces can accommodate anything from small board room style meetings, private dining and large theatre style events to exclusive use of the hotel.

With broadband and wifi connection through out the hotel, complimentary car parking, a peaceful location with no distractions yet only a 5 minute walk from Bournemouth town centre and a stone's throw from the beach, The Green House is the ideal venue.

Within months of opening, the hotel was voted number one boutique eco hotel in the World (*British Airways Highlife Magazine*) and Small Hotel of the Year (Bournemouth Tourism Awards 2010)
