welcome to the green house

The luxurious Green House is a beautiful wedding and civil ceremony venue. The hotel opened to critical acclaim in July 2010 and has 32 beautiful guest rooms, a chic bar and an award winning restaurant. The hotel also boasts private events rooms, beautiful gardens and is situated a stone's throw from Bournemouth's stunning beach.

Within months of opening, the hotel was voted number one boutique eco hotel in the World (*British Airways Highlife Magazine*) and Small Hotel of the Year at the Bournemouth Tourism Awards. In April 2011 it was listed by *The Independent* as the best wedding venue in Southern England and second in the UK.

In 2011 we were awarded a Gold merit by the Green Business Tourism Scheme and were listed as the only UK hotel in the Guardian's Green Travel List 2011.

Our highly acclaimed Chef, Andrew Hilton and his team bring something very special to the Bournemouth food scene at the hotel's Green Room restaurant. Seasonal produce is sourced locally and where possible organically, and when you eat with us you will see why it has been described as 'the most innovative and exciting food we've tasted' (*The Bournemouth Echo*).

The wine list is organic and biodynamic and the hotel is one of the few to serve the award winning English sparkling wine Furleigh Estate Classic Cuvee (International Medal Winner).

In 2011 The Green House and The Green Room have been recommended by the Michelin Guide.
