# the green house

---

welcome to the green house ...an elegant, intimate Victorian villa tucked away in a green oasis just a stone's throw from Bournemouth's golden beaches.

With a multi-award winning, 2-AA rosette restaurant, Arbor, and beautifully appointed, adaptable conference spaces, The Green House provides a tranquil and inspiring setting for a wide variety of business events from lectures to business dinners, creative workshops to corporate entertainment.

Whatever the purpose of your meeting, our dedicated team will design your event around your needs, focusing on your goals and priorities to ensure you get your message across successfully – and enjoyably.

At The Green House we have built our reputation on incredible attention to detail and all-round quality of service. As a TripAdvisor Platinum Green Leader we are recognised as one of only a handful of establishments around the UK to have achieved the very highest environmental standards. While we don't make a song and dance about it, it is there in everything we do. From the way we source our food and drink locally from ethical suppliers, to our choice of furniture and fittings, such as the chairs in our meeting rooms which started life as video games consoles! Everything combines to make The Green House the perfect choice for organisations that value corporate social responsibility, as well as their bottom line.

Small but perfectly formed, the whole hotel is on hand to welcome your delegates. We are able to offer exclusive use of our 32 guest rooms, all with luxurious handmade eco-beds, piled high with organic bed linen to guarantee a restful night's sleep. You and your guests can also make full use of our Private Events Rooms, Arbor restaurant, a 24 hour private bar and our lawn and gardens.

## menus

The Green House caters for all types of events, from business conferences to fashion shows, charity events to group lunches and dinners.

Our meeting space is flexible, offering two individual spaces or one combined larger room. All rooms boast plentiful natural light and contemporary, stylish décor along with the latest audio visual equipment, providing the perfect creative space whatever the task at hand.

Here at The Green House the best food and drink is never far from our minds, a passion we share with many of our guests. Arbor has become a destination restaurant in this part of the world: we have won the Gold Award in the Dorset Tourism Awards for the last three years in a row; and in the 2015/16 South West Tourism Excellence Awards we were judged one of just six establishments across Dorset, Devon and Cornwall that best represent “The Taste of the South West”. So whether it’s a buffet, two-course working lunch, or something more unusual such as a group afternoon tea, Head Chef Andy Hilton and his team will design a menu to ensure your delegates are not just fuelled but fired up to innovate and achieve.

Fancy a teambuilding or reward day with a difference? How about a wine-matching course or mixology demonstration with our in-house sommeliers and bar staff?

Need somewhere to entertain potential investors or clients? We will make sure your visitors are wined and dined in your own private room with the very best locally sourced food and drink. All you have to do is seal the deal.

---

## rooms

The Green House offers 32 stunning guest rooms. All our rooms are beautifully furnished with bespoke, hand crafted furniture that has been made in the UK using natural and sustainable materials. Rooms fall into four categories – small double, double, large double and master doubles.

All rooms have 32” LED flat screen TVs, Bose sound docks, luxurious goose down duvets and crisp white organic bed linen. The bathrooms have natural stone basins, walk in showers and luxury toiletries.
