Anyone for Tea?

We use Dorset Tea which is a local company. While we love their ethos "*Herbal flavoured infusion inspired by life in Dorset*", they also share the same Green values as us. They say "*Our natural surroundings, its maintenance and the well being of workers are very important to us. We therefore only use 100% Rainforest Alliance Certified tea for our Golden Blend Dorset Tea™. This means that the workers and farmers who carefully grow and select the leaves in our tea can also enjoy a good quality of life, while protecting their natural environment which is as important to us as it is to them.*"
