### WELCOME TO ARBOR'S WIMBLEDON FINALS AFTERNOON TEA MENU

With the Wimbledon finals in sight, we are already practicing our loudest "FAULT" and "MATCH POINT" for the occasion, so we thought we would create a special Afternoon Tea to celebrate the week. Finals week we will be showing BBC footage of the Wimbledon finals along with very British cocktails and a freshly prepared Afternoon tea.

Our staff will advise on daily specials and any alterations to the menu.

#### ANYONE FOR TEA...?

Our teas are supplied by Joe's Tea Co. They mirror our ethos and green values as well as our commitment to excellence.

We think they taste great and we hope you do too.

Joe says: "Our teas are bought direct, and never at auction, enabling us to cut out the middle man and give more to the deserved small farmers who organically grow all our teas. We source our organic teas from Sri Lanka (Ceylon) for the delicate taste profile that the black, green and white teas offer"

Our Organic Tea Selection includes:
