

Christmas 2018 at the Green House Bournemouth

Enjoy a Green Christmas at the green house, the greenest hotel in the UK. We don't believe in Formal packages all we ask is that you stay for two nights!

At every point during the redevelopment and running of the hotel, the environmental impact of our actions has been considered. As a result, we have minimised this in every way possible. Each member of our team plays a role in this, and it is as important to us as the quality of the product and service we provide.

Christmas Eve

Join us on Christmas Eve in the green house bar and start the holidays off in style with a glass of bubbly before indulging in a 3 course menu taken from the Arbor Restaurant menu. Only local and responsibly sourced ingredients are used in the preparation of our dishes.

Christmas Day

Our hearty cooked to order breakfast is included and can be taken from 8am to 10am on Christmas morning. Your Christmas 7 course Tasting menu is served in Arbor Restaurant at your choice of 12:30 or 15:30 or later should you wish. Retire to the lounge to take your coffees and petit fours and digest.

If you're still peckish on Christmas Evening our Chef will be preparing a buffet of locally sourced treats which is also included in this package.

Boxing Day

Take an early breakfast in order to beat the crowds to the redeveloped Bournemouth Christmas Tree Festival, a unique festive trail with spectacular Christmas trees from around the world. Brace the beach and help work off the Christmas day calories or have a duvet day watching the old favourites on TV.

Choose your preferred time for dinner and 3 courses from the Arbor restaurant A la Carte menu.

27th December

We set you on your way with breakfast cooked to order served in Arbor where fresh coffee and a freshly prepared breakfast awaits.
