WELCOME TO ARBOR'S AFTERNOON TEA for Collection

Because of our commitment to and passion for using fresh, seasonal ingredients, we have deliberately left parts of the menu a little open to interpretation. Our pastry chef makes all his pastries to order, changing things quite frequently to keep up with the seasons. If you would like more information on what we can do for your stay-at-home baby shower or your hen afternoon tea then do ask. We can cater for all diets but do require 24 hours notice.

Everything is a little strange right now, but don't compromise your special moment. Get our full afternoon tea experience straight to your home. Order as many as you need, each box comes packaged with the name of your guest on it.

- Full afternoon tea, packaged per person in cute take-away boxes with ribbon and a name tag for each of your guests
- Bottle of mini Prosecco per person (Elderflower presse for the non drinkers)
- 3 Party Games:

Anyone for Tea?

We use Dorset Tea which is a local company. While we love their ethos *"Herbal flavoured infusion inspired by life in Dorset"*, they also share the same Green values as us. They say *"Our natural surroundings, its maintenance and the well being of workers are very important to us. We therefore only use 100% Rainforest Alliance Certified tea for our Golden Blend Dorset Tea™. This means that the workers and farmers who carefully grow and select the leaves in our tea can also enjoy a good quality of life, while protecting their natural environment which is as important to us as it is to them."*
