

doing green business at

the green house

welcome to the eco-friendly green house
...an elegant, intimate Victorian villa
tucked away in a green oasis just
a stone's throw from Bournemouth's
golden beaches.

With a multi-award winning, 2-AA rosette restaurant, Arbor, and beautifully appointed, adaptable conference spaces, The Green House provides a tranquil and inspiring setting for a wide variety of business events from lectures to business dinners, creative workshops to corporate entertainment.

At The Green House we have built our reputation on incredible attention to detail and all-round quality of service. As a TripAdvisor Platinum Green Leader we are recognised as one of only a handful of establishments around the UK to have achieved the very highest environmental standards. While we don't make a song and dance about it, it is there in everything we do. From the way we source our food and drink locally from ethical suppliers, to our choice of furniture and fittings, such as the chairs in our meeting rooms which have been upcycled with 100% lambswool from the Isle of Bute! Everything combines to make The Green House the perfect choice for organisations that value corporate social responsibility, as well as their bottom line.

Small but perfectly formed, the whole hotel is on hand to welcome your delegates. We are able to offer exclusive use of our 32 guest rooms, all with luxurious handmade eco-beds, piled high with organic bed linen to guarantee a restful night's sleep. You and your guests can also make full use of our Private Events Rooms, Arbor restaurant, a 24 hour private bar, outdoor wood fired pizza oven, our eco garden and our terrace as well as our EV charging points which are free to use for our guests and we host a Beryl bike sharing station.
